JUSTICE FOR LEPROSY SUFFERERS

“Within the last thirty years a revolution has taken place in the treatment of leprosy”.—
from the B.B.C. broadcast “Science and Leprosy.”

“Leprosy may be the first of the great infectious diseases to be brought under control largely by chemotherapy”.—
The Lancet, January 28, 1950.

Despite these great advances only one patient in every ten can obtain the new treatment which cures. There are 3,000,000 sufferers in the British Commonwealth of Nations. They await your verdict: Health or a life-sentence to the Living Death.

Some of the boys who need YOUR help

These Homes, established in 1864 as the first Cottage Homes in England, are NOT State-aided. They still depend on voluntary contributions for most of the funds needed to maintain and educate the boys who rely upon the Homes for their start in life. After school age every boy may choose from a variety of careers and undergo a full training at the Homes in the Trade of his choice. The Homes are NATIONAL. They maintain boys from all parts of the United Kingdom. Please inform us if you hear of a boy who needs our help.

The Secretary will be very glad to send you an illustrated booklet, printed by the boys, which tells you more about the Homes.

Good interest for savers!

Defence Bonds

pay **5%**

with a 3% tax free Bonus
after 7 years

As well as the interest of 5% per annum, the Bonds are repayable after 7 years at the rate of £108 for each £100 invested—and this 3% Bonus is U.K. income tax free. Thus, the redemption yield grossed up for tax at the present standard rate of 7s. 9d. is as high as £5. 12s. 6d. per cent—with absolute security of capital.

You can have up to £2,000 of these Bonds exclusive of holdings of earlier issues. Bonds inherited from a deceased holder or acquired by conversion of earlier issues can be held in addition. The interest, payable half-yearly, is not exempt from income tax, but tax is not deducted at source.

You may encash the Bonds before maturity—

(a) At six months' notice, when they will be repaid at par plus any interest earned but unpaid.

(b) Immediately, on the same terms but subject to a deduction equivalent to six months' interest (no deduction is made if immediate encashment is required for the purpose of winding up a deceased holder's estate). On sale in £5 units. Buy all you can afford.

NATIONAL SAVINGS CERTIFICATES

(10th issue)

15/- becomes
£1 after 7 years

You are allowed up to 1,000 Certificate Units of the current issue (in addition to permitted holdings of previous issues) so you can make £250 clear profit in 7 years if you take up your full quota.

Every 15/- Savings Certificate brings you in 5/- profit in only 7 years—that's equal to nearly 4½% interest per annum. And because it's U.K. income tax free, it's actually worth nearly 6½% to you if you pay tax at the standard rate. Even more if you pay surtax.

Here's the easiest possible way of saving. For all the family. Little by little or all at once *everyone* can acquire a really sizeable nest egg.

Savings Certificates are easy to buy, to cash, to hold—and they're very profitable. Buy one or more every week—starting NOW!

... in seven years

5% Defence Bonds yield the equivalent of

£5.12.6

per cent (gross), per annum if you pay tax at the standard rate

1,000 Certificates
bring you a tax free profit of

£250

Still dependent on

Voluntary Contributions

Despite all the Government is doing for children deprived of a normal home life, the National Children's Home, like all the other recognized voluntary societies, is left free to carry on the work it has pioneered for ninety years. This means it still has to raise its own income—a formidable task when it is remembered that over 3,000 girls and boys are being cared for.

We mention this point because there is still widespread misunderstanding of the Home's present position. The need for funds is as great as ever. In fact, even more support is required to meet the increased cost of maintaining this important national service.

DEAFNESS means a lifetime of isolation

THE NATIONAL INSTITUTE FOR THE DEAF strives to alleviate this grievous handicap by every possible means. Its welfare activities are constantly expanding but, for want of funds, many urgent requirements still have to be shelved.

The N.I.D. administers residential Homes for deaf and deaf-blind people and a Hostel for deaf working youths near London. More Homes are urgently needed for the aged, lonely deaf in all parts of the country; and for young children who suffer from additional physical handicaps.

Our Advice Bureau is freely at the service of anyone concerned with problems caused by deafness, either their own or others.

Gifts and legacies are earnestly needed to help maintain and extend our work.

Now Ready—A New Volume in a Practical Series

Questions and Answers from the "J.P." 1950-1955

EDITED BY A. N. C. SHELLEY, M.A., B.C.L. (Oxon.)
of Lincoln's Inn, Barrister-at-Law

This is a book with a very strong appeal to readers of this journal, for it contains questions and answers extracted from the *Practical Points* columns of the *Justice of the Peace and Local Government Review* of 1950-1955, revised and modified wherever necessary in accordance with subsequent legislation and decisions.

All the questions are on problems which subscribers to the journal have actually encountered in the course of magisterial or local government work, so that the information contained in the editorial answers cannot fail to be of interest and value to their colleagues. The matter is arranged under 94 Titles, covering some two thousand points; items have been chosen for their usefulness in everyday practice—questions on matters of limited application or interest are given as headings only but with page references to the journal, while questions and answers on points of outstanding value are printed in full.

THE ADA COLE MEMORIAL STABLES

Will you please help us to carry on our much needed work for the welfare of horses. We purchase those which by reason of old age, infirmity or previous ill-treatment are in need of care and attention; we also endeavour to provide suitable homes for those horses fit enough to do a little light work, under the supervision of the Society, and for all this, funds are urgently needed. Donations to the Secretary at office.

Stables: St. Albans Road,
South Mimms, Herts.

Office: 5, Bloomsbury Square,
London, W.C.1.
Tel.: Holborn 5463.

When advising on Wills or Bequests

please remember the work of

THE FORCES HELP SOCIETY AND LORD ROBERTS WORKSHOPS

(Registered under the National Assistance Act, 1948)

Serving and ex-Service men and women need help in many ways—special training for the disabled, aid in sickness, a helping hand in domestic difficulties. Eight Lord Roberts Workshops and several Clinics have been established for the Disabled Ex-Service man. Car Park Attendants Schemes are in operation. Homes for the Elderly, for Convalescents and for Service Women are maintained.

The Forces Help Society and Lord Roberts Workshops relies on Voluntary Funds to carry on its vital work during its Diamond Jubilee 1959/60.
